Hi Kate,

Thank you, that is very sweet of you. I am also incredibly pleased to have been chosen for the subgroup and am very much looking forward to seeing all of you. I am also dreadfully embarrassed about my tardiness on my assignments and I hope it hasn't caused you too much trouble.

Thanks,

Peter

Thanks so much Peter! It is a ton of work. The meetings are too,

but can be gratifying as well. I know your subgroup is especially pleased you will join- we are all looking forward to seeing you here soon!

Thanks again for your efforts,

Best,

Kate

Hi Kate,

I have tomorrow set aside for the second drafts. I too am hoping the peer review comments will be helpful. This IARC stuff is hard!

Take care,

Peter

Thanks so much, Peter. Any update on when we can expect your 2nd drafts?
Hope the peer review comments will be useful to you.

Best,

Kate

Dear Peter Egeghy,

A review assigned to you for the above-referenced volume is now overdue.

To see your assignments and their due dates, log into IOPS (<http://iops.iarc.fr/>), go to the Projects page and click View Assignments for the relevant project. The deadlines for overdue assignments appear in red type.

To ensure adequate time for revision and preparation of drafts prior to the meeting, we would be grateful if you could submit your review as soon as possible. If you are having difficulty completing this assignment, please contact us without delay.

Sincerely,

Kate Guyton
